Welfare, cycle and medical data handling scope

Document ref	OWFC-LEG-003	Version	2.1
Effective	01 Jan 2026	Next review	01 Jan 2027
Owner	Welfare Lead	Classification	Internal — Controlled

1. Lawful basis

Player welfare data, cycle-tracking data and medical records are each held under separate consent. Lawful basis: explicit consent for cycle and welfare data; legitimate interest with overriding consent for occupational medical records during employment.

2. Retention & rights

Cycle data is purged on revocation (immediate from active view, 30 days from backups). Medical records are retained for the statutory period after employment ends, then purged. Subject Access Requests are handled by the Welfare Lead within 30 days; the right to erasure is honoured for cycle and welfare data while contractual obligations allow.
